

PHILLIP DUGLISS

1233 N. Hoyne Apt. 1 • Chicago, IL 60622 • (734) 558-8644 • phillipdugliss@gmail.com

EDUCATION & CERTIFICATION

Central Michigan University, Mount Pleasant, MI

Bachelor of Science in Education, Dec. 2012

Major: Integrated Science

Illinois Professional Educator License

Chemistry, 9th-12th Secondary Education, 6th-12th

Biology, 9th-12th General Science, 6th- 8th

Earth & Space Science, 9th-12th

Michigan Secondary Teaching Certificate

Integrated Science (DI), 6th-12th

PROFESSIONAL EXPERIENCE

CICS Bucktown, *Integrated Science Teacher*, Chicago Aug. 2017 – Present

- Experience in project based learning through the Summit Learning Platform.
- Targeted groupings of students and small group instruction based on daily data analysis.
- Proficient in use of Stanford-based cognitive skills rubric.
- Use of information literacy in the classroom to facilitate student growth on the NWEA.
- Collaborated with peers through weekly department, grade level and co-teaching meetings.

Golder College Prep High School, *AP Chemistry, Chemistry Teacher*, Chicago Aug. 2015 – Jun. 2016

- Developed curriculum for General and AP Chemistry courses.
- Utilized inquiry-based, student-centered learning to foster achievement.
- Analyzed district-wide test data to maximize student exam performance.
- Guided Science ACT focused preparation activities in the classroom.
- Lead teacher in a high needs classroom where a majority of the students were provided services.
- Provided differentiated instruction for each tier to meet individual student needs.
- Facilitated interactive and engaging labs promoting higher order thinking.
- Mentored 19 young men as a Class of 2018 advisor.

John J. Pershing High School, *Chemistry, Biology, Physics Teacher*, Detroit Michigan Sep. 2014 – Jul. 2015

- Participated in home visits to students with extended absences.
- Partnership with ECOTEK Labs with the goal of providing Inner City students scholarship opportunities.
- Collaborated in a Master Schedule focus group to best meet the needs of the students and community.
- Adopted cross curricular instruction and project based learning for all grade levels.

Adlai E. Stevenson High School, *Chemistry Teacher*, Livonia Michigan Sep. 2013 – Jun. 2014

- Incorporated standard based instruction with Michigan HSCE's.
 - Lead students to excel about the district average on common assessments.
 - Collaborated with peers through professional development, staff and Science Department meetings.
 - Assisted with properly stocking, producing and keeping inventory of lab materials.
 - Developed an annual plan for teaching Principles of Chemistry Course.
 - Strengthened connections with students by chaperoning and attending after school events and activities.
-

RELATED EXPERIENCE

Computer Explorers, *STEM program instructor*, Wilmette, Highland Park IL

April 2017 – Present

Raging Buffalo Snowboard Park, *Snowboard Instructor*, Algonquin IL

Dec. 2016 – March 2017

Pershing High School, *Assistant Baseball Coach*, Detroit MI

Dec. 2014 – June 2015

Summit Academy Middle School, *Head Baseball Coach*, Romulus MI

Dec. 2013 – June 2014

Winston Churchill High School, *Summer School Chemistry Teacher*, Livonia MI

July 2014 – Aug. 2014

ENDORSEMENTS

- OSHA Hazard Communication Standard Trained
- Proper Use & Storage of Chemicals Trained
- Red Cross First Aid, CPR and AED Certified
- Proficient in Summit Learning Platform, Tableau, Dean's List, Microsoft Office, Google Drive, PowerSchool, Mastery Manager,
